

Press Release

Paris, 11th December 2023

Vito Gattuso joins CCR Re as a Credit & Surety Underwriter

Vito Gattuso has joined CCR Re as a Credit & Surety Underwriter.

His presence will strengthen the Specialities & Global Risk team within CCR Re's Underwriting Department.

After completing his Master's degree at the Milan "Cattolica del Sacro Cuore" University in 2015, Vito Gattuso went on to spend 8 years at Elba Assicurazioni S.p.A. as a Surety Underwriter before working for Coface as a Credit Underwriter and later AXA Partners in Paris as an International Underwriter. In 2021, he joined AON Reinsurance Solution as a Credit, Surety & Financial Risks Reinsurance Broker.

"Vito Gattuso's appointment is a very positive step for CCR Re and our clients" according to Hervé Nessi, our Chief Underwriting Officer. "It highlights the commitment of talented people to our business plan, who are keen to put their expertise to work for our clients."

About CCR RE

CCR RE is an international reinsurer of a personable size with presence in 80 countries worldwide and operating in the traditional sectors of property damage and civil liability and life & health as well as certain specialised areas (credit, marine, aviation, spatial, agriculture).

CCR RE's identity, organisation and economic model are testimony to its solidity and agility when it comes to client service. CCR RE makes the most of its committed and multicultural teams of experts. An ESG compliant company throughout its reinsurance and investment activities.

In 2022, CCR RE achieved a gross turnover of 987 million euros with a net income of 42 million euros and a combined ratio of 98.7%. The annual objectives focused on further growing turnover have been achieved. This increase which has been controlled and within good solvability conditions reflects a strong operational and financial momentum, supported by all the business lines serving our partners and clients.
