

Press Release

Paris, 7th January 2025

Ludovic Boulanger joins CCR Re as Life Underwriter

Ludovic Boulanger joins CCR Re as Life Underwriter.

With over 18 years' experience in life actuarial work, Ludovic Boulanger has amassed solid expertise within life reinsurance, notably within the provident, long-term care, credit insurance and savings sectors. He has held strategic positions within major companies such as BPCE Vie, PartnerRe and SCOR, where he developed innovative solutions, managed complex portfolios and supervised multidisciplinary teams.

Associate Actuary graduated from the CNAM, Ludovic also holds a Master's degree in Mathematical and Computer Engineering, specialising in actuarial science.

"It's a real pleasure to welcome Ludovic into our underwriting team!", stated Hervé Nessi, Chief Underwriting Officer. *"This strategic recruitment reflects our desire to strengthen our presence and development in the French Life market."*

About CCR Re

CCR Re is an international reinsurer of a personable size with presence in 94 countries worldwide and operating in the traditional sectors of property damage and civil liability and life & health as well as certain specialised areas (credit, marine, aviation, spatial, agriculture).

CCR Re's identity, organisation and economic model are testimony to its solidity and agility when it comes to client service. CCR RE makes the most of its committed and multicultural teams of experts. An ESG compliant company throughout its reinsurance and investment activities.

In 2023, CCR RE achieved a gross turnover of €1.186 billion with a net income of 56 million euros. Since July 2023, CCR Re has been majority-owned by SMABTP and MACSF.
