

Georges Guzman has been appointed as Life Underwriter For Latin America and Spain

Georges Guzman has been promoted to Life underwriter for Latin America and Spain.

For the past six years, he has been a senior analyst in natural catastrophe modelling in CCR Re's Actuarial and Risk Department.

Now, his promotion will strengthen the teams in the Underwriting Department.

A graduate of the Ecole Supérieure de Management, Georges Guzman has 20 years' experience in Reinsurance, starting with Partner Re.

"We are committed to offering our in-house staff varied career paths. With this in mind, we are delighted to welcome Georges to the Life underwriting, servicing a growing strategic area for CCR Re", says Hervé Nessi, Chief Underwriting Officer.

About CCR Re

CCR RE is an international reinsurer of a personable size with presence in 80 countries worldwide and operating in the traditional sectors of property damage and civil liability and life & health as well as certain specialised areas (credit, marine, aviation, spatial, agriculture).

CCR RE's identity, organisation and economic model are testimony to its solidity and agility when it comes to client service. CCR RE makes the most of its committed and multicultural teams of experts. An ESG compliant company throughout its reinsurance and investment activities.

In 2022, CCR RE achieved a gross turnover of 987 million euros with a net income of 42 million euros and a combined ratio of 98.7%. The annual objectives focused on further growing turnover have been achieved. This increase which has been controlled and within good solvability conditions reflects a strong operational and financial momentum, supported by all the business lines serving our partners and clients.
